MISS KING IS ACTIVE IN HOME MISSION WORK

MISS DRUCILLA KING

"Believe on the Lord Jesus Christ and thou shalt be saved," is a story heeded and accepted by 42 individuals who were won to Christ by Miss Drucilla King, shown above, during her two years at the New Orleans Seminary.

Miss King, a Home Missions volunteer, delighted in the work of the Practical Activities Department that takes bands of students throughout the New Orleans area on mission assignments. Her opportunity to do personal work after the preaching was over, resulted in the 42 open professions of faith, persons with whom she now corresponds.

She enrolls this month in Clarke College, Newton, to complete her college work before going into full time work.

A native of Milton, Tennessee, Miss King was active in W. M. U., Training Union and Sunday School work in the Milton Church. When she dedicated her life to full-time Christian service in her home church in 1948, three girls from her Sunday School class also made similar dedications.

Attention! Southern Baptists

By DR. WALTER R. ALEXANDER
Executive Secretary
The Relief and Annuity Board

Numerous inquiries arrive daily regarding federal social security coverage for lay workers of our denomination.

With the next issue, a series of short articles will begin, dealing with this matter as it regards Southern Baptists.

As participation is not compulsory, we urge careful reading of these articles before reaching any decision in the matter. Walter R. Alexander, executive secretary, Relief and Annuity Board of the Southern Baptist Convention.

E.P.A. Opposes Vatican Envoy

At its closing session in Chicago in Chicago, January 25, the Evangelical Press Association adopted resolutions opposing an Envoy to the Vatican. Other resolutions were (1) that if Korea is evacuated, the Korean Christians also be evacuated in order to escape the fury of the Communists. (2) That national leaders as well as church leaders live righteously.

In order to give them another chance, all officers were re-elected. They are: Dr. H. J. Kuipper, editor of the Banner, president; Dr. A. L. Goodrich, editor of the Baptist Record, vice-president; Hart Armstrong, editor of the Gospel Gleaner, secretary; Dr. Martin Erikson, editor of the Baptist Standard, treasurer.

Addresses were delivered by Dr. H. J. Kuipper whose subject was, "Are We the Head or the Tail?", Wesley Hartzell, feature writer of the Hurst papers, "Feature Writing"; Professor Roland E. (Continued on Page Two)

NEGRO EDUCATION SURVEY SHOWS 150 B.D.'S PER YEAR

New Russian Dictionary Hits At Bible, Religion

VIENNA—(RNS)—What loyal Communists are expected to know and believe about the Bible and religion is summed up in a new Russian dictionary issued recently by the Soviet State Publishing House in Moscow.

The dictionary contains explanations—all strictly materialistic—for 20,000 foreign words and phrases.

"The Bible," it says, "is a collection of fantastic legends without any scientific support. It is full of dark hints, historical mistakes and contradictions. It serves as a factor for gaining power and subjugating the unknowing nations."

A much longer explanation is given of the word, "religion."

"Religion is a fantastic faith in gods, angels and spirits. It is a faith without (Continued on Page Two)

LOUISVILLE, Ky.—(BP)—There is not a single accredited Baptist theological school especially for Negroes in the United States. This was the announcement made by Ira de Reid, Haverford College professor of sociology, in his preliminary report on a survey he is directing to determine the status of Negro theological education in America. He also said that in all the schools of America there were only 150 Negroes with B. D. degrees available per year, an extremely low figure for a denomination with 30,000 churches. In 12 Negro colleges there are only 353 undergraduates who say they will enter the Baptist ministry and only 100 of these are expected to finish.

Dr. Reid was reporting to the Joint Conference Committee on Theological Education for Negroes set up by Southern, American and National Inc. Baptist Conventions.

His preliminary findings also showed that the American Baptist Theological Seminary at Nashville had a wider student appeal for Negroes than any other theological school in America. He called it "the dynamic approach" to the education of Negroes for the ministry. "However," he added, "it is a poor school." He said that buildings, equipment and the library make it impossible to achieve accreditation. He cited as the reason for its wide appeal the fact that the school offered a Ph. D. degree for work of sub-seminary level. His findings, he said, seem to point to the potential of the school.

Dr. Reid, the son and grandson of Negro Baptist ministers, is professor of sociology at Haverford College in Haverford, Pennsylvania. He is regarded as one of the most eminent scientists in his field. The survey, involving thousands of students, is continuing. (Continued on Page Two)

AMERICA STARVING: SONG PROVES IT

By DUKE K. McCALL
Executive Secretary
Southern Baptist Convention
Executive Committee

The Communist propaganda in China says America is starving—therefore you might just as well starve in China.

To prove that there is not enough food the Communists play over and over, "If I knew you were coming I would have baked a cake." Think what they could have done with "Yes, We Have No Bananas."

Propaganda always sounds silly when you know the truth. It is easy for a Chinese to picture Americans as hungry people. Everybody he knows is hungry.

Conditions were rotten under the old Nationalist government of China. Conditions are worse under the Communists. Apparently only a few businessmen and the missionaries had enough wisdom to predict that. Every Christian mission in China pled with the American government not to abandon China to the Communists. They were ignored.

Soviet Deputy Foreign Minister Malik, said to the United Nations Security Council, "We all know that missionaries have always been a weapon of aggression and that they have served to promote the conquests of the ruling circles and to enslave peoples who were a source of income."

Now the missionaries are being squeezed out of China. Every boat from

Shanghai brings more Christians of all faiths to British held Hong Kong. Only sixteen Southern Baptist missionaries are left in China. They are risking death to serve as God has called them.

The new arrivals all give the same report. The rich Chinese have become poor under the Communists. The poor have become poorer. Only the government officials and the multitude of Russian technical advisors are well to do.

The Chinese cook of a missionary family saved his money and bought a farm. The Communists divided his little farm with a few others. The cook applied for his old job in the missionary home saying, "I cannot grow enough food for me and my family on what is left." (Continued on Page Two)

All Foreign Missionaries Will Leave China Soon, Says Keehn

Thomas Keehn, outspoken young legislative secretary of the Council for Social Action, Congregational-Christian Churches, believes all foreign missionaries will have to leave China within the next year.

Mr. Keehn told a meeting at a local church that native Christian missionaries in China want the foreign mission-

aries to leave because they feel it is getting too dangerous to associate with them, in view of the communist situation.

Mr. Keehn feels the departure of missionaries from communist-occupied areas is in the nature of a "strategic withdrawal" and not a permanent policy.

ands of interviews by trained personnel is to cost \$20,000 and is financed by the three conventions. Authorized three years ago the survey will be finished in June of this year. It is expected that the survey will become a major consideration in the planning for Negro theological education in the future.

The Southern Baptist group on the joint committee consists of E. A. McDowell, Southern Baptist Theological Seminary, Louisville, Ky., Chairman; Ryland Knight, Apopka, Fla.; Mrs. Irvin Lawrence, Kansas City, Mo.; Mrs. DeWitt Matthews, Macon Ga.; Robert L. Cousins, Atlanta, Ga.; H. Clayton Waddell, New Orleans, La.; S. A. Newman, Fort Worth, Tex.; Victory Glass, Nashville, Tenn. America Starving: Song

(Continued from Page One)

In every nation of Asia I have been asked about the abuses suffered by Negroes in America. Communist propaganda has played up newspaper stories of injustices suffered by Negroes. Every American, and surely every Christian, is ashamed of any form of injustice. We admit our democracy is not perfect.

I can report, however, that the lot of the poorest family I know in the United States would not be improved by changing places with the average Chinese in Communist Shanghai. In fact the poor of America would be counted well off by the standards of every country in Asia.

The Christian churches of China withstood the Japanese occupation. Now they face a severer test. That test is the Communists' version of religious freedom. Here are the terms under which the churches will be allowed to carry on their work:

Purge all imperialistic influences. Halt support from abroad. Educate followers against the evils of imperialism, feudalism, bureaucratic capitalism. All religious sects must be unified.

The government now controls the Christian mission schools, not by law but by mob agitation. Chinese church leaders have not been imprisoned or executed by the government. Communist gangs have lynched some who refused to become tools for Communist propaganda. Government officials smile and say, "So sorry."

"The liquidation of the bourgeois society and the advent of the Communist system has destroyed the foundations of religion, and is putting the laws of the natural sciences in place of the cunning lies which are being advertised by all religions.

"The superstition of outlived religion has been surmounted by the Communist education of the working class, by its active participation in the construction of the free, socialistic life, and by its deep knowledge of the scientifically profound teachings of Marx-Leninism."

Escatawpa Ordains 3 As Deacons, Adopts Rotating System

Escatawpa Church ordained three as deacons during January. They were Will Roberts, T. R. Chunn and Elton Roberts.

Upon recommendation of the deacons, the church adopted the Rotating System of Deacons. The Escatawpa Church is served by nine deacons. Each man is elected to serve three years with the terms so staggered that three deacons will retire each year and three others will be elected to fill their place.

After a deacon has served for three years, he is not eligible for re-election until one year has elapsed.

The nine now serving are: Will Roberts, chairman; Wallace Grierson, secretary; J. E. Nelson, C. A. Bryan, Bruno Lennep, Elton Roberts, T. R. Chunn, W. O. Carpenter and Stewart Hubbard.

THE ASSOCIATIONAL-WIDE MEN'S RALLY

March 5, 1951

Every association in the state has been asked by Dr. C. E. Matthews, Superintendent of Evangelism of the Home Mission Board, to sponsor, at some time during the month of March, 1951, a giant RALLY of Baptist men of the association. The RALLY is, of course, in preparation for the Simultaneous Crusade of Southern Baptists. It will be well for you to fix the DATE immediately, and secure a suitable, centrally located PLACE for the rally in YOUR association. We suggest Monday night, March 5th.

Your associational Missionary, Associational Brotherhood Officers and Chairman of Special Rallies, will be responsible for this meeting. A card to each pastor asking his co-operation will help. If you will send the date and place of YOUR meeting to the State Brotherhood Office, they will be published in the Brotherhood column of the Baptist Record.

The purposes of the associational Men's Rally are:

1. To INFORM the Baptist men of your association concerning the Crusade.

sade.

2. To INSPIRE AND CHALLENGE your men to their noblest efforts in behalf of the Crusade.

3. To PULL your men over into the WORK of the Crusade.

The MEN'S RALLY can well be one of the greatest men's meetings ever held in your association. For,

1. It can be made to AROUSE THE THINKING of the Baptist leadership of your association, both preachers and laymen, concerning the real program of our churches and our denomination.

2. It can be made to SET FORWARD within your association EVERYTHING that our churches and our denomination are endeavoring to do.

3. It can be made to STIMULATE INTEREST in the work of the associational Brotherhood, and in the building of church Brotherhoods throughout your associational.

4. It will BRING ETERNAL GLORY to our Savior, because it will help to put men into the very work for which He gave all He had,—for the salvation of a lost world.

Plan this rally of God's men to set forward God's work throughout your association!

Miss Clara Boyd under the heading "Woman's Work" reports of having been out in the country from her home in Pelahatchie in the home of J. R. Massengale, enjoying a "hog killing time" eating sausage, souce, spare ribs, back bones, pig feet, when the generous host thought of the Orphanage. The next train carried a generous portion to that institution.

Rev. E. S. Flynt goes from the pastorate of the Central Coldwater Church to that of the Church at Weston.

The Coffeeville Church moves into their new house of worship; R. J. Criss was chairman of building committee, J. P. Provine was chairman of the finance committee, and Rev. R. L. Breland was the pastor. The church was organized in 1874.

Leadership Conferences Are Over

By CHESTER L. QUARLES
Executive Secretary

The first annual Leadership Conferences and Laymen's Rallies have been completed. Workers have been on the field for three successive weeks going to 15 strategic locations in Mississippi. Meetings—morning, afternoon, and night sessions—were successfully conducted.

Spirit

Possibly the most outstanding characteristic of the meetings was the spirit. The church leaders had marvelous fellowship in the sessions and during the lunch hour and between the afternoon and evening session. From the standpoint of spirit the conferences were most successful.

Attendance

Every meeting was well attended. Since this is the first year of this particular type of meeting, the state workers wondered what the response of the people would be. It was most gratifying; and, in fact, the attendance went beyond expectations of those promoting the meetings. Next year these meetings will be largely attended everywhere. They have proven their value. (See the attendance chart).

Mission Emphasis

A strong missionary emphasis was given the very first thing every morning. Three outstanding pastors, Dr. S. R. Woodson, First Church, Columbus; Dr. Harold Basden, Calvary Church, Jackson; Dr. G. Norman Price, Parkway Church, Jackson, did yeoman service in laying the foundation for all that was to follow during the day. Their messages were both inspirational and practical. Dr. D. Swan Haworth, at the First Church, Vicksburg, spoke challengingly one day during the first week.

Tithing Emphasis

The tithing emphasis was strong in all sessions. Dr. Merrill D. Moore, Director of Promotion of the Southern Baptist Convention; Dr. Harry Lee Spencer, Executive Secretary of the Mississippi Baptist Foundation, "rang the changes" on the doctrine of the tithe. The influence of these messages will be far reaching and of eternal value.

TEV

Immediately after lunch a practical demonstration of Tithers Enlistment Visitation was given. This visitation program, with the aid of the turnover chart, will revolutionize many churches. The pastors have been most enthusiastic about TEV.

Church In Action

Out of state workers spoke during morning and afternoon on the general subject, "My Church In Action." Organizations were discussed and their values emphasized. Associational and state missions were lauded. Many practical suggestions were made by Dr. S. F. Dowis, Home Mission Board, Atlanta, Georgia; Dr. Clifford Walker, Superintendent of Cooperative Missions, Jacksonville, Florida; and Dr. Sam Scantlan, Superintendent of City and Rural Missions, Oklahoma City.

Sparks and Splinters

A splendid message regarding the value of the Baptist Record was given by Editor A. L. Goodrich each day. Rev. Joe Abrams of Shuqualak spoke the third week for Dr. Goodrich. The Every Family Plan was eloquently urged.

Evangelistic Emphasis

In all sessions the evangelistic emphasis was predominant. Almost every speaker urged the receptive audiences to make the most of the Evangelistic Crusade, March 25-April 8. Chester L. Quarles spoke afternoon and evening giving a soul-winning emphasis.

Appreciation

Appreciation should be expressed to the host churches for the many courtesies extended to the state workers and those attending other churches in the areas. A lunch was served each day, free of charge, by the host church. The following host pastors were most helpful in promoting the meetings: Rev. J. F. Brantley, Richton; Dr. Joe T. Odle, Gulfport First Church; Dr. Chas F. Treadway, Columbia First Church; Rev. Troy Prince, McComb Friendship; Rev. H. A. Milner, Van Winkle, Jackson; Rev. Quenton Floyd, Raleigh; Rev. D. L. Stennis, New Hope (Lauderdale); Rev. James Fairchild, Louisville First; Rev. C. M. Day, Durant First; Rev. David Cranford, Indianola; Dr. Glen Eric Wiley, Grenada First; Rev. Robert W. Martin, Batesville; Rev. Charles Skutt, Baldwin; Rev. J. R. Davis, New Albany; and Rev. C. W. Thompson, Aberdeen First.

Appreciation should be expressed to Martin J. Gilbert, Secretary of Rural Work, and W. R. Roberts, Brotherhood Secretary, because of their splendid services in promoting the meetings. They deserve high praise for their splendid service in handling the many details of these valuable meetings. Credit for the success of the venture should be given to them.

In December, 1949, he became pastor of the Unity Mission and was ordained in May, 1950. During this year of his ministry there have been 61 added to the First Church through that arm, 34 of whom came for baptism.

The First Church has had five young men to surrender to the ministry since it has been operating the five missions. Dr. Charles L. McKay is the First Church pastor.

An Inspiring Report

In this issue of the Baptist Record, Rev. Chester L. Quarles and J. E. Lane, Executive Secretary and Treasurer, respectively, Mississippi Baptist Convention Board, make their annual report to the churches. This report carries the annual financial statement of every Baptist church in Mississippi, so far as gifts through the Convention Board office are concerned.

This issue should be one of the most interesting and helpful issues of the entire year. Pastors and churches should study it thoughtfully and prayerfully. Some of the churches should be encouraged by the progress and the record they have made. Others should be humbled by what they have failed to do.

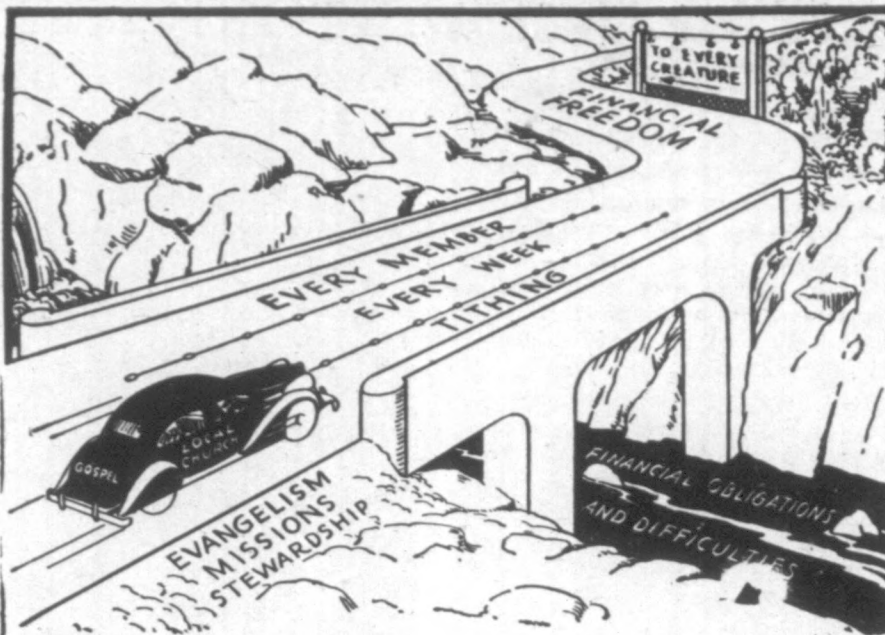

A study of this financial record will show that there have been a great many more churches co-operating in the program of Mississippi Baptists than was true only a few years ago.

The few churches that have failed to have a part in the world-wide work of Mississippi Baptists should shed tears of sorrow over their fate, and resolve to do something at once and keep on doing it.

We urge Mississippi Baptists to study these figures earnestly and prayerfully. Let every Baptist call the attention of his people to the record of their church whether it be good or bad. If good, resolve to do better. If bad, resolve to do something.

Keep in mind the fact that this record was not made by Secretary Quarles or Treasurer Lane and their fellow-workers, but by the churches. The Convention Board office simply recorded the figures as they received them from the churches.

We believe that members of the

churches that did nothing or little for the world-wide program of Mississippi Baptists want to have a part in this great Christ-centered program. We also believe that if someone, the pastor, the Sunday School Superintendent, the WMU President, a deacon, the Brotherhood President, the Training Union director, or some interested member had mentioned the matter and urged a collection somebody would have given something. If no other person gave anything it seems to us that at least the pastor could give a tithe of his salary.

Begin now to plan for an offering so that every church may be listed as a giving church in the next list, which will probably be published next July. You'll want to file this copy of the Baptist Record for future reference. It is filled with facts and figures that will be useful in many ways. Many hours of labor were required to prepare the list. Keep it handy and use it.

Sunday, February 15 World Alliance Day

In the January 25 issue of the Baptist Record was an announcement by Dr. F. Townley Lord President of the Baptist World Alliance, concerning Baptist World Alliance Sunday on February 15.

Baptists should make this an important day in 1951. The truth is that it should be observed so generally that it could be described as near unanimous. All our churches: large churches, small churches, city churches, town churches, country churches, weak churches, strong churches, rich churches, poor churches, should take an offering on that day for the work of the Baptist World Alliance.

There are several things that we could and should do on that day.

1. We can pray for our people in private and public prayer. In some countries many Bap-

tists are on the verge of starvation, some are in prison; a number are labeled and compelled to live as displaced persons; some congregations are not allowed the sacred privilege of public worship.

2. We should praise God for the privilege of serving our less fortunate fellow-Baptists.
3. On Baptist World Alliance Day we should once more sound forth those great principles for which we stand.
4. On Alliance Sunday, churches all over the land should take a special offering for the work of the Baptist World Alliance.

Laymen Can Preach

Laymen can preach. Stephen preached. He was a layman, or ordained deacon. His sermon, Acts 7:2-52, is the longest sermon recorded in the Bible.

Phillip, another layman and deacon, preached. He was conducting a revival in Samaria when he led the Ethiopian to Christ, "Then Phillip went down to the city of Samaria, and preached Christ unto them. And the people with one accord gave heed unto those things which Phillip spake, hearing and seeing the miracles which he did. For unclean spirits, crying with loud voice, came out of many that were possessed with them; and many taken with palsies, and that were lame, were healed. And there was great joy in that city" (Acts 8:5-8).

We do not recommend that laymen conduct revivals except in places where there is a shortage of preachers. In these crusades we will not have enough ministers for all the churches. There are 10,987 part-time churches east of the Mississippi River.

We have Baptist laymen in Mississippi who are experienced and effective preachers in revival meetings. In the crusade in Lit-

tle Rock, Arkansas, April 3-17, 1950, with 43 churches participating one of the best revivals was conducted by a layman.

When one man is pastor of more than one church he will have to have help. He may not be able to secure a minister to help him. In such cases a good layman could conduct the revival in one of the churches. There are many mission stations in which revivals should be conducted during these crusades. This affords a wonderful opportunity for laymen to serve.

Brotherhood Secretary, W. R. Roberts, may be able to offer suggestions. Write him.

Choosing Between Two

A man in a Mississippi church told his pastor that he wanted to give him a Christmas present. "The best present I know of," the man said, "is books." So you choose the books you want and I'll give you a check for them."

The minister was undecided about which of two sets he would ask for, so the friend suggested to the pastor, "Let's get both sets," and immediately wrote a check for the price of the two sets.

Our Readers Write

Dear Editor:

Enclosed you will find a letter that I received from the Editor of the Farm and Ranch Magazine. In the January edition of that magazine there was a full page beer advertisement; the first one that has appeared in that magazine.

I wrote to the editor and among other things told him that I regretted to see another good magazine sell out to the devil and asked that my subscription be canceled immediately. In a few days I received the enclosed letter.

If you can use this letter, perhaps to influence others to write similar letters and to radio station, as far as I'm concerned you are at liberty to do so.

In His service,

GUY HENDERSON

Comment: The letter referred to above follows.

Mr. Guy Henderson
Box 538
Clinton, Mississippi

Dear Mr. Henderson:

You may be pleased to learn that your letter helped us to arrive at the decision to cancel all Brewers Foundation advertising scheduled to appear in our magazine.

This action resulted from our sincere desire to please our readers. There is a motto hanging in my office which reads: "This Magazine Is Published for the Reader." Everyone connected with this publication joins me in the hope that we can continue to live up to that motto.

We appreciate your writing us and would like to hear from you again. Especially do we want to hear from you if we displease you in any way.

Sincerely yours,

M. ORCHARD, Executive
Editor Farm & Ranch

Comment: If every Baptist Record reader would write the editor or radio station carrying beer or whisky ads, some would do as Farm and Ranch.

A PATH OF LIGHT, PUBLISHED BY the Home Mission Board, contains a group of biographies compiled by John Caylor and written by him and several others. The biographies are of such people as Lucien C. Smith, who worked with the French; G. Lee Phelps, who witnessed to the Indians; Nancy Kathryn Sewell, who served in Cuba; and five others. The book consists of 118 pages which will challenge the reader by the lives of those who served at home. Order from the Baptist Book Store. Price: cloth, \$1.50; paper, 75c.

SPECIAL MUSIC IN

STATE LEADERSHIP CONFERENCES

Last week during the second week of the State Leadership Conferences, several special numbers in music were presented which made a fine contribution to the program. Mr. Roy Self, County Missionary in Scott County presented a fine men's quartet at the Raleigh Baptist Church on Monday night. The fine male quartet from First Baptist Church, Meridian, presented several numbers of fine music at New Hope Baptist Church, Lauderdale Association, on Tuesday night. On Wednesday at the First Baptist Church, Louisville, Mrs. James Fairchild sang a solo for the morning service, and Mr. Dick Shurtz sang a solo for the afternoon program. The male quartet, First Baptist Church, Louisville, presented special numbers for the night session. On Thursday at First Baptist Church, Durant, Mr. James Hayes, Minister of music for First Church, Durant, prepared the girls ensemble for the

morning program, a girls' quartet for the afternoon session, and a male quartet for the evening session. The fine male quartet from First Baptist Church, Greenville, rendered special numbers for the evening session of the conferences which was held at First Baptist Church, Indianola. All music for the Leadership Conferences was under the direction of the State Music Director.

A Music Mailing List is being secured during these Leadership Conferences, and all churches not represented in these conferences are asked to send in the following names to the State Music Department, Box 530, Jackson, Mississippi: Church Choir Director, Church Song Leader, Church Organist, and Church Pianist, and please give mailing address of each name listed. A special list of male quartets is desired. If your church has a male quartet, please send the list of members and the pianist to the Music Department. List one name to serve as contact person.

Executive Committee Sees No Conflict In Lay Participation In Social Security

NASHVILLE, Tenn. —(BP)— The way seems open for lay employees of Baptist churches and employees of Baptist colleges, Baptist hospitals and Baptist orphanages and other Baptist institutions and agencies to participate in government social security. The Executive Committee passed a resolution giving their opinion that participation under terms defined in U. S. Government bill 6,000, as amended did not seem to be in violation of the cherished principle of separation of church and state.

(Editor's Note: See editorial in Dec. 7 issue of Baptist Record under the title "Investigate Social Security Benefits.")

The resolution also stated, "Is is the opinion of the Executive Committee that participation in this plan on the part of our Baptist agencies and institutions makes its benefits available to all of their employees, particularly those in the lower income brackets not hitherto covered by retirement plans, without conflict or competition with our own Relief and Annuity Board plans of retirement."

"We respectfully urge all institutions and agencies that may participate in the Social Security Plan to continue their participation in the Relief and Annuity Board's retirement plans."

The paper was offered by a committee consisting of Walter Pope Binns, chairman, public affairs committee, R. S. Jones, associate secretary, relief and annuity board, Judge Frank A. Hooper, Jr., James W. Merritt, and Louie D. Newton.

Frank Roblin Begins Pastorate At Rienzi

Rev. Frank Roblin resigned as pastor of Siloam Church in Clay County to accept the pastorate of Rienzi Church in Alcorn County.

While pastoring the Siloam Church for two years there were 40 additions; four Sunday School rooms were built; a pastorium purchased and all the church organizations had record breaking attendance.

Mr. Roblin moved on the Rienzi field on January 20. On Monday evening the Rienzi people gave a bountiful grocery shower to the new pastor and his family.

TRENTON, N. J.—(ENS)—BILLS TO legalize bingo have been introduced in both branches of the New Jersey legislature. The measures would empower municipalities to enact ordinances authorizing the holding of bingo games by charitable, non-profit, fraternal or religious corporations and organizations. (Editor's Note: If bingo should be legalized for these organizations, why not others? If it is wrong for others it is for these. It is wrong for everybody, period).

"THE SEPARATION OF CHURCH and state means that there shall be no organic or official connection between the two, but it does not mean that church and state shall have nothing to do with each other. As a matter of fact, there are ways by which the church can be of help to the state and there are responsibilities which the state has to the church."—Howard M. Reaves, The Teacher.

IF THIS BE RELIGION—(\$1.75) BY Dr. Frederick Keller Stamm and published by the John Day Company, Inc., 2 West 45th Street, New York, challenges churches, ministers and especially the laymen to make the local church more than "a country club at prayer." Actual accounts are given of clashes between the minister and church, of actions taken by churches limiting the preacher in what he can say and do, etc. Blame is placed upon the congregation which abhors snobbery, prejudice, and worldliness. Dr. Stamm would be classed as a modernist. Order from the publisher or from the Baptist Book Store.

HOME MISSION WEEK OF PRAYER

Preparation is now being made by women and young people all over our state as they study the Home Mission Graded Series of books on City Missions. The two articles below give us some idea about the work of Home Missionaries as supported through gifts made during this Week of Prayer.

CUBA FOR CHRIST

Miss Mildred Matthews writing from Havana, Cuba, tells of one of the most interesting meetings ever to be held by Baptists in that city.

"All of the Baptist church of Havana Province held an evangelistic service in Central Park here in Havana. It has been estimated that two thousand people were present and the attention was perfect. The municipal band was on the platform and played the accompaniment for the congregation to sing 'Cuba for Christ.' The Havana choir sang three numbers directed by Miss O'Dell. Dr. Luis Manuel Gonzales was the speaker. He began by saying that we had come a long way from the night when four people were baptized at night in the sea by the Malecon for fear of persecution. Now we were privileged to meet in Central Park with the municipal band playing our hymns. It was a great experience for all of us and we are thanking God for such a wonderful service. There is a fine spirit of evangelism in our churches in Cuba."

The Lord has greatly blessed the work in Cuba during the past year. The new school for religious workers was opened September 18 in the city of Havana.

The new student center near the University of Havana is going forward in a splendid way under the direction of our missionary, Rev. A. C. Queen, with the Baptist Student Union there. There are now 129 Southern Baptist missionaries in Cuba and they receive the larger portion of their support from funds given through the Annie Armstrong Offering. The goal for 1951 will provide \$92,000 for work in this area.

PROBABLY THE GREATEST PHENOMENON of modern publishing is the popularity of the so-called 10c comic. Currently, more than forty million of these magazines are sold on newsstands each month. Nearly 200 titles—good, bad and indifferent—are available. Accepting the premise that the comic format is firmly established in the reading habits of these times, Famous Authors, Ltd., 270 Park Avenue, New York, are publishing comic type books that have unquestioned literary worth. The latest is an adaptation of Lew Wallace's BEN HUR. And the price is 10c.

MISS CAROLYN MADISON, Elementary Secretary
MRS. CECIL H. SMITH, Office Secretary

MISS ROBBIE TRENT

Miss Robbie Trent, editorial associate, of the Baptist Sunday School Board, Nashville, Tenn., will direct the Junior conferences at the Mississippi Sunday School Convention, in the first Baptist Church, Jackson, March 13-14.

Miss Trent has been one of the finest and most capable leaders the Board has had for these years. She is a most capable Junior leader, and our Junior workers from over the state will surely want to take advantage of the coming to us of this very fine helper.

So, Junior workers, plan now to attend that Convention.

OUR CHANGE OF POLICY

Beginning the first of this Sunday School year, October 1, 1950, we discontinued the policy of keeping individual study course records here in the state office.

The reason was that our one office secretary just did not have time to do that and care for the multitude of other work also.

Also, the Nashville office keeps these individual records, so hereafter we shall get the information from that office, as other states have been doing all the time.

Therefore, to get information on what credits you have, or any of your workers, write to the Office of Awards, Baptist Sunday School Board, Nashville, Tenn., and not to the Jackson, Miss., office any more.

TIME TO PLAN CLINICS

It is not at all too early to begin planning the associational Vacation Bible school clinics.

"Our clinic will be held in our church, March 1," says Miss Fannye Greene, Vacation Bible school leader of the Lowndes association, and director of education of the East End Baptist Church, Columbus.

That is good news, and many others should do likewise.

The free promotional literature will be available soon, and we shall be glad to send it on request. Write us if you need some.

GET YOUR AWARDS ON BIBLE AND PRAYER STUDY

Many churches have had a study in Dr. Lee's book, "The Bible and Prayer." Also, many of those taking this study would like to get their Sunday school credit on it.

This credit is granted for the study of this book, so send us the report of

your class, and we shall gladly get the awards for you.

regular blanks for reporting classes will be gladly sent on request.

PLEASE MARK CONVENTION DATE

Be sure and mark on your calendar and date book the time of the Mississippi Sunday School Convention. That is most important. We have a great program lined up for you. We know you will appreciate it. We have some of the very best Sunday school leaders and speakers to be secured anywhere.

The time is March 13-14, and the place is the First Baptist Church, Jackson, Miss. Mark this now on your book, and plan to attend.

GRADED SOUL-WINNING STUDY COURSE
FOR ALL CHURCH MEMBERS

DATE _____ TIME _____
PLACE _____

PROMOTED JOINTLY BY THE STATE TRAINING UNION DEPARTMENTS AND THE TRAINING UNION DEPARTMENT, BAPTIST SUNDAY SCHOOL BOARD, NASHVILLE, TENNESSEE

The Training Union seeking to do its part in the Great Evangelistic Crusade this year is urging every church to have an All Church Study Course in March (early) using the Soul Winning books. A large poster like the one pictured above has been mailed to every pastor. We hope you have them up and are already making plans for this study course. Plans should be made now. Books should be ordered NOW. Teachers secured NOW. Make it more than a study course. Make it a soul winning clinic in which soul winners may be developed.

One important meeting not to be overlooked is YOUTH NIGHT Saturday March 17. Make it a great spiritual occasion. It is an associational meeting. You plan it. You conduct it. Use many young people on it. Make it tell for Christ. It is through the youth of today that the world will be Christian or not. It is largely through Baptist youth that we will get the answer. Give our young people a big vision of greatness.

Contest materials are ready for you. Write for them if you want them. Beginning next week we will run these sheets of information in this department of the Record.

What did we say about GARAYWA? Why we said we would have a Training Union Assembly there July 2-6, and another July 9-14. Keep tuned in, you'll hear all about it SOON.

Dr. Horner Declines Recall By Church

Dr. Paul G. Horner, pastor of Fifteenth Avenue Church, Meridian, has declined the recall by the church as pastor. He had resigned as pastor on December 3, effective February 1. But a church meeting a few days ago voted by a large

majority to recall him.

The church also voted to pay Dr. Horner his salary for six months after the termination of his pastorate and allow the use of the pastorium until his future plans are completed.

Dr. Horner, in addition to taking an active part in state Baptist affairs, served as president of the Lauderdale County Ministerial Association and also of the Meridian Pastors' Association.

THE MIGHTY WORKER
Mark 4:35-6:6.

I. THE MIGHTY WORKER AS GIVER OF LIFE

This was the master theme of His course. See how the words that set Him forth as the giver of life, the source of life, the nourisher of life pervades His speech as the golden thread of His thought. "I have come so that they might have life and have it in greater measure" (The New Testament in Basic English); "I am the resurrection and the life;" "I am the way, the truth, and the life."

He gave frequent and abundant illustration of the fact that He came to give life. He brought new life to those who were depressed, withered, bound. He restored physical life to the dead; today He gives spiritual life to those who are dead in trespasses and sins, and the day is coming when He will raise from the dead all who belong to Him, and give them glorious bodies like unto His own body.

II. THE MIGHTY WORKER AS STILLER OF THE STORM

Mark 4:35-41.

Our Lord was weary from the abundant labors of the day. He had listened to the stories of people who were in trouble. He had preached to them patiently, opening the truth to their understanding, and had felt the sympathy that only His great heart could feel. Now the day was over and He was weary. He must be conceived as both Son of man and son of God. Son of man according to the flesh; Son of God according to the Spirit. As Son of man, He was innocent though temptable, subject to hunger, thirst, and weariness; as Son of God, He endured in the face of temptation, remained sinless and became holy. Here as the Son of man He was weary, in sore need of rest. And while He was resting, a storm swept down upon the surface of the little sea and whipped it into angry billows. When the boat began to fill, the disciples, who had been vainly battling the fury of the tempest, woke Him to say that they were about to sink.

As the head of the company and also as one whom they had seen perform works of mercy and wonder, they looked to Him to help them. His response to their need and their evident belief that He could supply it was immediate and efficient. He stilled the tempest on the sea and brought in its place a great calm. The tempests that walk upon the seas are not those that give greatest trouble in the world, but those that wrack the soul. And far beyond the needs of a comparatively few sailormen upon the ocean are the needs of multitudes of people whose hearts suffer the riving pangs of the thunder bolts that dash in destructive fury upon them. But He can speak peace to the storm-tossed spirit and command a calm in any mortal gale however great.

III. THE MIGHTY WORKER RAISES THE DEAD

Mark 5:21-43.

1. Wherever He was or is, the multitude will gather. It was so long ago in Capernaum, it is so today.

2. People who know Him will bring their troubles to Him. So came the ruler of the synagogue. Have you not done the same in the hour of your distress?

3. Those who bring their troubles to Him will find in Him a sympathizer. He is Son of God; yes, and He is also Son of man. As such He knows all about your struggles and, since He is just as human now as ever He was, His heart is touched with your griefs.

4. He will sympathize not only, but

Dr. Fields Accepts First, Yazoo City Will Assume Duties March 1

Dr. Wilmer C. Fields, of Louisville, Kentucky, has accepted the pastorate of the First Church, Yazoo City, according to an announcement made by Vacey Hodges, chairman of the deacons.

Dr. Fields will succeed Dr. Webb Brame, who recently resigned the Yazoo City Church after having served as pastor for 28 years. Dr. Brame has retired from the pastorate.

Dr. Fields is the pastor of the Bethany Church in Louisville, and prior to the Bethany pastorate was associate pastor of the Walnut Street Church in Louisville, the largest Baptist church in Kentucky.

A graduate of Louisiana College in Pineville, Dr. Fields has the Ph. D. degree from the Southern Seminary in Louisville. With his wife and two children, he will move to Yazoo City in late February and will assume his duties the first of March.

—BR—

THE ASSOCIATIONAL MISSIONAIRES Institute will meet at Clarke College February 19-22, according to the president, Rev. Phil J. Walker.

FIRST CHURCH, PONTOTOC, RECENTLY elected three new deacons. They are Dewey Windham, J. T. Davis and Clay Benjamin.

He will help as none other in heaven or on earth.

5. His help is sufficient to your need it matters not what your need is. You are poor? He can give riches of grace to meet your every need. You are lonely? He can give you the comfort of His presence being consolation in every hour of your distress. You are sick of heart? His is the help of the great physician who has the catholicon for every ill the spirit or flesh is heir to.

6. Here is the case of a lass who had died while her fond father was seeking help. But the father who had went for help to the Mighty God, and in his God he found a helper whose power was limited only by the father's faith. The stricken father had faith in the hour of darkness: "He when the face of God grew dim, held through the dark and trusted Him." And his faith had its exceeding great reward.

IV. THE MIGHTY WORKER GIVING OFFENSE

Mark 6:1-6.

He was doing mighty works, no doubt about that. He was endowed with surpassing wisdom—nobody seemed to doubt that. But here they all knew Him, his trade, His mother, his four brothers and His sisters, how many soever there were. But He is but a carpenter here in the village, just an ordinary man, a good carpenter, we grant you, but he has been right here all his life. His mother is but a poor widow and her children are ordinary folks. How does He assume this prominence?

Instead of being rich and glad and proud that their city had manifested so great power and humility and purity. Where did He get it? Or does He have it. His evident greatness made them to stumble and His goodness made them bad. I know only a very few more pitiable things. Jealousy of a fine man or noble woman, envy that will drag angels from the skies to soil their whiteness with the filth of its dirty clutch! But maybe these were only poor ignorant people who could but hate that which they could not equal in goodness or even understand. I would be glad to know that there was in Nazareth some good old gardener or shepherd, some old mother, or better yet, some fine boy or girl who did know Him and love Him.

QUICK QUOTE

It is one of the joys and privileges of any minister to have close contact with eager young minds consecrated to the service of Christ and his church. Such contacts are important, of course, if for no other reason than that we must look to the students of today for the leadership of tomorrow. . . Communism has made careful and insidious attempts to capture the best minds of the younger generation. . . The world needs now as it never needed before young men and women who can give Christ their full consecration . . . and who will go out into all the varied spheres of service to bear their Christian witness to the Name that is above every name —Dr. F. Townley Lord, president of Baptist World Alliance.

POTPOURRI

Have heard recently about the good Student Night at Christmas programs held in Calvary, Jackson; First, Booneville; Mt. Zion, near Brookhaven; First Hazlehurst; First, Laurel. . . A tour of campuses, including Clarke, E. Central Jr., MSCW, Northeast Jr., Miss State and Northwest Jr., revealed a good bit of unrest and many withdrawals from school on the part of draftees and volunteers for the armed services. Surely this is a time to ask for peace in one's soul from the Prince of Peace in Whom alone is peace. May we urge you again to "adopt" someone in the service, or who will go into service, who is not a close relative and to whom you might write? Many of us can be of real help in this way. First Church, Jackson, is planning to keep in close touch with its members in service and in recent days, in answer to our request in the Miscellany, we've received lists of servicemen from Pearl-

haven and First, Tupelo, churches, ten from the former and eleven from the latter. We plan to send the Miscellany to each one. Will you send us other names? We can speak from experience when we say that servicemen, and women, need every bit of spiritual help they can get, just as college and high school students do. . . First, Biloxi Promotes Practical Activities Dept. TO TRAIN IN 12 FIELDS

First Church, Biloxi, has a Practical Activities Department for the utilization of the talents and abilities of the people. The department serves as a clinic or laboratory in the life of the church. Its purpose is two-fold: (1) To enlarge the ministry of the church, and (2) to give its members an opportunity to learn by experience to do various kinds of church work.

This department is designed to offer training in 12 fields of service. These activities are as follows:

1. Bible Study or Interpretation, which meets on Thursday evening.
2. Missions, including a service at Beauvoir every Sunday afternoon, where the young people plan and direct the entire service. Others are used to bring devotionals at "singspiration" on Monday evenings.
3. Cottage Prayer Meetings or home evangelism.
4. Hospital ministry, including visitation and distribution of literature to patients on Saturday afternoons.
5. Home visitation, including enlisting people in the church program and other types of visitation.
6. Distribution of Bibles. A Bible is given every home without one where someone will promise to read it.
7. Handing out cards and tracts on the street.
8. Library work, including classifying, cataloging and processing books; also filing and checking books.
9. Recreation, including the study of various forms of recreational programs and directing wholesome recreation and parties. A planned party is conducted every Saturday night for military personnel.
10. Public relations, including various methods of keeping our church in the public mind and interest.
11. Dramatics, including staging, acting, costuming, make-up, properties and production. At Christmas, this group presented Dorothy Clark Wilson's "White Christmas" in connection with the service.
12. Radio, including planning of programs and actual participation on the air. Programs over three local stations furnish opportunities for development in the radio ministry. People are used to sing, give testimonies, read the Scripture and bring devotionals.

Besides being a great service to the church, this department increases spiritual growth for those who participate.

Dr. G. C. Hodge is the pastor and J. Hoffman Harris is the assistant pastor.

CAESAREA HAS REVIVAL

The revival in the home of Cornelius at Caesarea and recorded in the 10th Chapter of Acts, set a magnificent pattern and wherever it has been followed similar results have been obtained. A casual study of the record given by Luke reveals three parties in this revival and the part played by each. Since such parties, playing similar parts, must be present in every revival, let us consider this revival from that viewpoint. The party of the first part is God, the party of the second part, the people and the party of the third part, the preacher.

What part did God play in this revival? 1. He prepared preacher and people for each other. Cornelius in his prayer room and Peter on the house-top. 2. He led in bringing preacher and people together. He told Cornelius to send and Peter to go. 3. He sent the Holy Spirit and bestowed the blessings. It is of utmost importance that we seek his presence and leadership in these matters.

What part was played by the party of the second part, the people? 1. They desired what we recognize as a Revival. 2. They prayed for it.

Ever since the day that the Psalmist cried out for himself and his people, "Lord, wilt thou not revive us again", we have found revivals to be undergirded with prayer. 3. They advertised the meeting. Acts 10:24. He went out after the people and got them there. 4. They attended with sincere readiness. Acts 10:33. These elements must be manifest on the part of the people if there is a genuine revival.

What of the party of the third part, the Preacher? Sometimes there is a false conception on the part of the people as to the importance of the preacher and too much dependence placed on him; but his part is real and outstanding.

As for the preacher, Simon Peter, 1. He prayed. 2. He yielded to God's leadership. 3. He preached. He preached, not philosophy, not sociology; but Jesus—his coming, his service, his suffering, his death and glorious resurrection, and his fulfillment of the prophecy "That through his name whosoever believeth in him shall receive remission of sins".

Results. 1. A distinct manifestation of the presence of the Holy Spirit. 2. The salvation of the lost. 3. The astonishment of the Believers.

Our God is the same yesterday, today and forever and if we fit into his plans these blessings will come to us as they came to the people of Caesarea.

from the Mississippi Woman's College. Hymns dedicated to the sick and shut-in members of the church will be a part of the program. The pastor will close the program each Sunday night with a brief devotional thought. The program will be introduced each night with a radiant youth hymn and closed with "I'd Rather Have Jesus."

TEACHERS OF THE BIBLE ARE messengers of God. They have in the Bible a revelation from God to pass on to the people of the world. And they have a commission to teach men his statutes and ordinances, to announce his warnings and promises, to proclaim his mercy and salvation, and to declare his way of life and duty. But for the teachers of the Bible, there would be a famine of hearing the words of Jehovah. What a nation needs most of all is to hear the message from God, whether it be one of judgment or of salvation and deliverance.—Clifton J. Allen, The Teacher.
